

THE LINKS SHELL COVE

**CORPORATE GOLF
BOOKINGS**

At The Links Shell Cove we are all about FUN!!! We want to make your day as enjoyable as possible for you and your guests.

In the following you will find some important details and information regarding hosting an outing at the Links Shell Cove along with many of our options to make your outing all the more special.

PLANNING YOUR OUTING

We know golf can be a time-consuming way to entertain staff and clients and 18 holes (4+ hours) can be too long away from the office, therefore LSC has become the perfect venue to host your “t20” style outing.

Our 6 and 9-hole events which get everyone back in off the course in under 2 hours have become popular for those groups wanting more mingle time with staff and clients and keeps everyone’s enthusiasm and interest in your day at a high

STARTING FORMATS

The following is a guideline as to the starting format that will be used for your group based on numbers booked for;

16 – 40 = One Tee Start (1st OR 9th)

41 – 68 = Two Tee Start (1st & 9th)

69 – 88 = Shotgun Start (holes used at golf ops discretion)

89 + = Shotgun Start (All holes may be used)

- AM Shotgun = 7:30am – 7:45am
- PM Shotgun = 12:00 – 1:00pm (seasonal)

NOTE:

If your numbers change, the golf operations staff may have to change your start format.

EVENT FORMAT

- Our most popular event and recommended format is a 4 person ambrose
 - Everyone in the team tees off, pick the best shot, and repeat until the ball is in the hole.
 - A great game for a team to bond together as all players have the opportunity to contribute, and it is especially good if you have mixed abilities of golfers in each group.

If your golf day is targeted more at the “die-hard” golfer (yippee-ki-yay!) then we can certainly cater for any team or singles events.

LSC TIP:

To keep your day on time and enjoyable, try and steer clear of single events, remember, you want everyone to have FUN at your golf day.

PRICING

Hosting your outing at LSC is most likely more affordable than you think, our dynamic pricing model means there is a time and date for any budget. With our 6 hole rate starting at just \$19pp, which includes golf cart hire and takes less than 2 hours to play, our golf ops team will find the perfect fit for your time & budget.

INVITATIONS

Below are a few things to keep in mind when putting together your invites for the big day!

- Location of LSC
- Registration Time
- Type of event
- Cost (per person, team, hole sponsors etc.)
- Inclusions (golf, carts, lunch, drinks etc)

LSC TIP:

To ensure your guests arrive with time to spare, only put a “registration time” on your invites, not a start time.

DRESS CODE

To keep in-line with LSC’s relaxed atmosphere, there is no need for collared shirts, knee high socks or the traditional plus 4’s that are often associated with golf courses. We want you and your guests to be relaxed and comfortable, so, when you arrive at LSC, answer “yes” to these questions and you are ready to play!

Are you wearing a shirt?

Are you wearing shorts/pants?

Are you wearing shoes?

DRINKS ON COURSE

Sometimes you need a drink on the course to loosen up that swing, and that's ok! However, The Links Shell Cove is a fully licensed facility, which means it is illegal to bring your own alcohol onto the premises. This includes the Tavern and all areas of the golf course.

Cans of alcohol (no glass permitted on course) can be purchased from the golf shop before and/or during play, there is eskys on all the carts and we will even get you some ice to keep them chilled.

For larger groups we have a fully serviced drinks cart we can have in operation to keep all guests well hydrated.

Options for drink & cart service can be found below;

- TAB – Simply run a tab for your guests purchases from the dinks cart and in the golf shop.
 - Drink Tickets – You can purchase a certain amount of tickets per person (current pricing available upon request) and your guests can use these on the drinks cart or in the golf shop. Once these tickets have been used they pay for their own beverages.
 - Pay as you go – This is where the golfers just pay for their own drinks as they get them through the day
- 

ON COURSE ACTIVITIES

There are a number of novelty and/or fundraising holes we can assist in setting up and co-ordinating depending on your needs. Feel free to ask for more info on any of these.

SLOW PLAY

It's great to stop and smell the roses, but it's no fun watching them grow! Please enjoy your day out on the picturesque Links course, but be sure to keep up with the group in-front of you and everyone can get back to the clubhouse in time for a drink before lunch.

LSC TIP:

Set an "off course" time that you would like your guests to head back in from the golf course. The golf ops team can co-ordinate this and it will help you keep your day on time and on track.

SCORING AND PRESENTATION

The Golf Ops team will work out and prepare all the golf day results as your guests come off the golf course.

Presentations for your event will be held in the Tavern lounge, set up will be handled by golf operations and Tavern staff. If you have any specific requirements please let us know.

Coming Soon! Due for completion in October 2019 is a dedicated space for golf day catering and presentations that will be more private than the current lounge area.

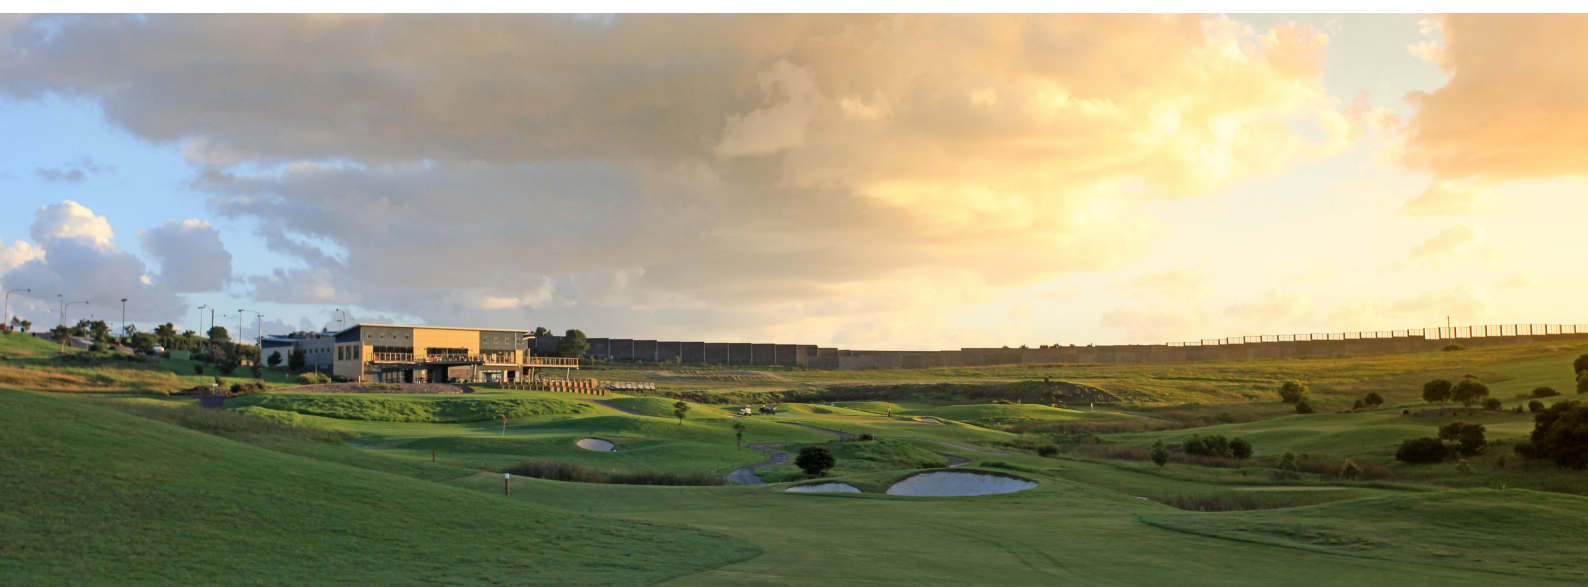

SIGNAGE

We allow you access to the course for up to 3 days prior to your event to erect any sponsor or other signage you would like to erect. You are also welcome to hang banners off the Tavern Balcony for the day also.

CATERING

The golf ops team will liaise with the Tavern Brasserie to arrange all your catering needs. Whether you are after a sit down meal, casual cocktail style with finger food or a BBQ lunch, we have a menu for you.

Cancellations/Decrease in numbers

We understand that life happens, so if you need to cancel your booking please do so by emailing:

peter@linksshellcove.com.au

We are not trying to sting you, however, we do not want to get burnt. So if cancellation is made within 10 days of your booking, your credit card on file will be charged 50% of the total price including catering.

If your group has been given a discount based on booking numbers and your group arrives with a decrease in numbers of greater than 25% the discount rate will be forfeited and your group will be charged the applicable standard rate.

PAYMENT

Your day is to be enjoyed, we will make contact with you after the event and will issue you an invoice for all charges.
